Stack: Angular, Java, Spring Rest, Spring Security, PostgreSQL.

Education

Self-education and currently I'm studying on 3d course of ["Tolyatti Government University"](#).
Subject is **"Applied computer science"**.

Additional information

I have been working as a sales manager in wholesale trade with auto spare parts since 2013. My duties are work in the 1C program, control remains of spare parts, control customers debt, work with a bank account, order processing, calculations of the cost of the parts from the metal for their production on press equipment, participation in bidding on the B2B platform, and a lot of emails and phone rings. Before experience that mentioned above, I have worked as a driver/expeditor on my own truck since 2007 till 2014.

Ready to relocate.

Date of birth: 14/04/1981.
